Box Non-Fee AMENDMENT
Commissioner for Patents
Washington, D.C. 20231

December 23, 2002

Sir:

The following amendments and remarks are respectfully submitted in response to the Office Action dated September 25, 2002.

IN THE CLAIMS:

Please amend the claims as follows: **(A copy of a marked up version with markings to show changes made is attached hereto.)**

1. (Amended) A steering column ignition lock having a lock housing for fastening to a vehicle, a closing cylinder that is rotatable in the lock housing and is coupled to a steering locking mechanism and to an electric switch for ignition current, and closing pins that are movable in the closing cylinder by means of a
